

BURT, HILL

DESIGNING ENVIRONMENTS THAT PREPARE STUDENTS FOR THE FUTURE

**FROM THE
LOCKER ROOM**

A young boy with short, light brown hair and blue eyes is smiling. He is wearing a white lab coat over a dark shirt, and a black stethoscope is draped around his neck. The background is a plain, light-colored wall.

**TO THE
OPERATING
ROOM**

**TO THE
BOARDROOM**

**IT ALL BEGINS IN
THE CLASSROOM.**

For more than 50 years, Burt Hill has partnered with school districts to plan and design educational facilities that serve students from kindergarten through high school. Our K-12 portfolio ranges from minor renovations to existing buildings, through the design of entirely new, state-of-the-art facilities that support high technology. Burt Hill designs facilities that accommodate ever-changing curricula, teaching methods, and enrollments, and open students' minds to a world of possibilities.
